

Calling in from Desk Phone

From Internal:

1. Dial the Vocera Extension from your desk phone, SprectraLink, or any other phone at the plant. This will be given to you or is on the Landing Page for Vocera.
2. The Vocera Genie will answer and ask you for the name or group that you wish to speak with.
3. Simply say the name and you will be connected just as if you were on a badge.

From External:

1. Dial the Vocera call in number from your cell phone, home phone, or outside phone line. This will be given to you or is on the Landing Page for Vocera.
2. The Vocera Genie will answer the same as internally and ask you for the name or group that you wish to speak with.
3. Simply say the name and you will be connected just as if you were on a badge.
